- 100,000 hour rated LED lifespan with solid state technology
- Maintenance free
- High impact ABS housing & sealed polycarbonate lens
- Water, dust, vibration & shock proof
- Supplied pre-wired with 300mm sheathed tinned cable
- Simple surface top mount design
- Available in black or opaque housings
- ADR/ECE approved for all functions

ROADVISION'S BR25 Series licence plate lamps deliver everything you need... Brighter, safer, stronger, easier to fit, longer lasting and better looking. Roadvision's super bright BR25 Series LED licence plate lamps deliver the durability of maintenance free LED technology. Available in both black and opaque housings with a top bolt mount design. Roadvision's BR25 Series licence plate lamps produce more light output than incandescent lamps whilst drawing a fraction of the current. Couple this with unbreakable polycarbonate lenses and an extremely tough housing manufactured from high impact ABS, these lamps, are dust & water proof and totally maintenance free, with a life span rated at 100,000 hours. With ROADVISION it's FIT and FORGET.
