

LED Work Lamps

FEATURES

- RWL118 Series LED work lamps produce 1080lm of instant light output
- Available in flood or spot beam
- 3W Epistar LED's produce super white light close to daylight
- Multi-volt 10-30V DC input
- Super low current draw
- 50,000 hour LED lifespan with solid state technology
- Light weight tough die-cast aluminium housing & polycarbonate lens
- Water & dust proof IP67 rated
- Simple 2 wire installation
- Over/under voltage, reverse polarity protection & EMI/EMC radio interference approved

Available in either spot or flood beam, ROADVISION's RWL Series work lights suit the most demanding work environments. Water and dust proof to IP68, the RWL118 Series feature a super durable light weight diecast housing and polycarbonate lens, allowing for worry free operation in Australia's toughest conditions. Complete with a cleverly designed low profile mounting bracket and simple two wire installation, the RWL118 Series provide a high quality, low fuss solution to your lighting requirements.
