

LED Work Lamps

FEATURES

- RWL215 Series LED work lamps produce 1200lm of instant light output
- Available in flood or spot with glare shield
- 5W Cree LED's produce super white light close to daylight
- Multi-volt 10-30V DC input
- Super low current draw
- 50,000 hour LED lifespan with solid state technology
- Light weight tough die-cast aluminium housing & polycarbonate lens
- Water & dust proof IP67 rated
- Simple 2 wire installation
- Over/under voltage, reverse polarity protection & EMI/EMC radio interference approved

ROADVISION's RWL215 Series compact work lamps offer uncompromised performance and energy efficiency in a compact, easy to install package. The RWL215 Series include 5W Cree LED's, available in either flood beam, or spot beam with a specially designed glare shield ideal for mounting on truck mirrors for additional visibility when reversing. Roadvision's compact work lamps are perfect for applications where space is limited. Water and dust proof to IP68, the RWL215 Series feature a super durable light weight diecast housing and polycarbonate lens, allowing for worry free operation in even the toughest conditions.
