ROADVISION's BR55 Series licence plate lamps deliver everything you need... Brighter, safer, stronger, easier to fit, longer lasting and better looking.

Roadvision's super bright BR55 Series LED licence plate lamps deliver the durability of maintenance free LED technology. Roadvision's BR55 Series licence plate lamps produce more light output than incandescent lamps whilst drawing a fraction of the current. Couple this with unbreakable polycarbonate lenses and an extremely tough housing manufactured from high impact ABS, these lamps, are dust & water proof and totally maintenance free, with a life span rated at 100,000 hours. With ROADVISION it's FIT and FORGET.
