ROADVISION's BR210 Series triple combination trailer lamps are the complete all-in-one fit and forget solution. Featuring Stop, Tail, Sequential Indicator & Reverse, these super bright LED combination lamps deliver the durability of maintenance free LED technology. Providing greater visibility for increased Safety, the indicator can also be used as strobe light with its in-built double or quad flash patterns. The BR210 Series combination lamps produce more light output than incandescent lamps, whilst drawing a fraction of the current. Couple this with unbreakable polycarbonate lenses housing manufactured from aluminium, these lamps are weather resistant and totally maintenance free, with a life span rated at 100,000 hours. With ROADVISION it's FIT and FORGET.
