- Weatherproof
- Vibration resistant
- Designed to be recessed into bull bar & front bumper bars
- Supplied pre-wired with 1m of sheathed cable
- Easy 4 wire installation
- ADR/ECE approved for all functions

Brighter, safer, stronger, longer lasting and better looking... The industry choice in LED bull bar lighting! ROADVISION's super bright RVFB2 & RVFB3 Series LED front bar lamps deliver the durability of maintenance free LED technology, and greater visibility providing increased safety. Roadvision's RVFB2 & RVFB3 Series front bar lamps, produce more light output than incandescent lamps, whilst drawing a fraction of the current. Couple this with unbreakable polycarbonate lenses and an extremely tough housing manufactured from ABS plastic, these lamps are weatherproof, ADR/ECE approved and totally maintenance free, with a life span rated at 100,000 hours. With ROADVISION it's FIT and FORGET.
